

ARE YOU AN EMPLOYER LOOKING FOR QUALIFIED TECH PROFESSIONALS?

Looking for exceptionally qualified tech workers? Tech Force Rhode Island is an industry-led approach to skills training paired with recruiting and career placement. In addition to hiring trained individuals, employers may participate in the Industry Advisory Council, curricula development, industry tours and presentations, interviewing and work-readiness workshops, and hosting experiential learning opportunities. Recruiting services to fill open positions and connections to pre-qualified talent are at no cost to employers. On the Job Training funds are also available.
